Hilton Daytona Beach Oceanfront Resort is the only property in Daytona Beach offering seven dining venues under one roof.

Doc Bales' Grill: An upscale, oceanfront restaurant where guests can dine indoors or al fresco on the venue's open-air terrace. Offers scenic views of the Atlantic and a menu featuring fresh seafood and continental specialties.

Hyde Park Prime Steakhouse: A local favorite, the fine-dining restaurant serves classic seafood dishes and high-quality USDA prime steaks. The menu pays tribute to Daytona Beach's rich racing history with steaks named for popular race car drivers.

McCoys Rum Room: Formerly Clocktower Lounge, the resort's lobby bar offers a warm, mid-century modern setting for patrons to unwind. Featuring signature cocktails, small plates and live entertainment, the venue pays homage to the story of Bill McCoy, a Prohibition-era rum runner and inspiration for The Real McCoy® line of artisan crafted rums.

Legends Sports Bar: Offering a range of casual fare and regionally brewed beers, this neighborhood-style bar features racing and sports memorabilia. Currently in the planning stage, a new concept for Legends will be revealed in late 2017.

The Blind Turtle: A poolside tiki bar serving casual grub and a wide selection of specialty cocktails, beer and wine. Guests can also enjoy live entertainment on the weekends.

Waves Beach Bar: A casual beachfront bar where guests can grab a bite or a drink within steps of the sand.

Atlantic Marketplace Deli: This lobby level café serves light fare, pastries and Starbucks coffee products for guests on the go.
